MEMORANDUM FOR THE RECORD

Mr. Earman's office telephoned to say that General Cabell and Mr. Wisner had both written memoranda for the record concerning their appearance with the Director before the CIA Subcommittees of the Senate Armed Services Committee and the Senate Appropriations Committee on 21 May 1958. These are being held over in Mr. Earman's office and there are no copies available for Legislative Counsel's office but will be over there if we need them.
